Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Thursday 03 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Any showers clearing leaving a clear and cool night.

This Evening and Tonight:
The band of cloud and showers will clear northeastwards this evening. A chance of the odd thundery downpour until midnight. Becoming largely clear but remaining warm overnight. Minimum temperature 12 deg C (54 deg F).

Friday:
Largely cloudy on Friday, with a risk of some thundery rain in eastern areas. Fresher in the west and generally cooler than previous days. Maximum temperature 17 deg C (63 deg F).

Outlook for Saturday to Monday:
Largely fine, dry and warm through this period with sunny spells. However isolated showers are possible on Sunday and Monday. Some coastal fog possible, especially on Monday.
